

## NOTICE OF EXCHANGE OF COUNTY PROPERTY

The Board of County Commissioners of Leon County, Florida, proposes to consider an exchange of a county drainage easement for another drainage easement, which the county desires to acquire for county purposes. The County holds and possesses the drainage easement which is not needed for county purposes, and it is the opinion of the Board of County Commissioners that it would be in the best interest of the county to exchange the easement interest for another easement interest. Pursuant to the requirements of Section 125.37, Florida Statutes, the terms and conditions of the exchange are as follows:

A 302.87 square feet portion of the drainage easement across the northerly 15.00feet of Lot 8 of Sunny Village subdivision as per plat recorded in Plat Book 7, page 57 of the Public Records of Leon County, Florida, will be exchanged for a drainage easement across the properties described in Official Record Book 1897, pages 2346 and 2355, of the Public Records of Leon County, Florida.

The Board of County Commissioners will consider adoption of a resolution authorizing the exchange of the easements at its meeting on Tuesday, July 13, 2004, at 5:00 p.m., in the Leon County Board of County Commissioners' Chambers, located on the Fifth Floor of the Leon County Courthouse, 301 South Monroe Street, Tallahassee, Florida.
